Per Resident Student	\$10,466	\$11,415
Per Open Enrollment Student	\$7,771	\$7,771
Difference More Per Resident	\$2,695	\$3,644

According to the American Housing Survey, on average there are:

- **64 children per 100 new single-family houses**
- **29 children per 100 new apartment units**

Based on this information, it would take **1,665** new single-family houses or **3,676** new apartment units to add 1,066 children to Union Grove, which would be the maximum number of new resident students at the elementary school and high school.
